

EXPLANATORY STATEMENT

Issued by the Minister for Immigration, Citizenship, Migrant Services and Multicultural Affairs

Migration Act 1958

Migration Amendment (Visa Application Charges) Regulations 2019

The *Migration Act 1958* (the Migration Act) is an Act relating to the entry into, and presence in, Australia of aliens, and the departure or deportation from Australia of aliens and certain other persons.

Subsection 504(1) of the Migration Act provides that the Governor-General may make regulations, not inconsistent with the Migration Act, prescribing matters required or permitted to be prescribed or which are necessary or convenient to be prescribed for carrying out or giving effect to the Migration Act.

In addition, regulations may be made pursuant to the provisions of the Migration Act listed in Attachment A.

The purpose of the *Migration Amendment (Visa Application Charges) Regulations 2019* (the Regulations) is to amend the *Migration Regulations 1994* (the Migration Regulations) to make changes to visa application charges (VACs) for certain visas.

In particular, the Regulations amend the Migration Regulations to increase first instalment VACs for a number of visas. The Regulations increase the majority of VACs so that they are increased by the 2019-20 forecast consumer price index (CPI) of 2.25 per cent as published in the 2019 – 20 Budget Paper No. 1. The base application charge of first instalment VACs for all visa subclasses, with the exception of the Subclass 600 (Visitor) visa, are also increased by 5.4 per cent in line with the one-off *Visa Application Charge – uplift* measure announced as part of the 2019-20 Budget. In effect, this means that the relevant VACs are increased by the cumulative total of the 2019-20 CPI increases and the additional uplift measure, rounded to the nearest \$5.

A Statement of Compatibility with Human Rights (the Statement) has been completed in accordance with the *Human Rights (Parliamentary Scrutiny) Act 2011*. The overall assessment is that the Regulations are compatible with human rights. A copy of the Statement is at Attachment B.

Details of the Regulations are set out in Attachment C.

The Office of Best Practice Regulation (the OBPR) has been consulted in relation to the amendments made by the Regulations. No Regulation Impact Statement is required. The OBPR consultation reference is 25219.

No further consultation was undertaken because these amendments do not substantially alter existing arrangements. This accords with subsection 17(1) of the *Legislation Act 2003* (the Legislation Act) which envisages consultations where appropriate and reasonably practicable.

The Migration Act specifies no conditions that need to be satisfied before the power to make the Regulations may be exercised.

The Regulations are a legislative instrument for the purposes of the Legislation Act.

Part 1 of Schedule 1 to the Regulations commences on 1 July 2019 and Part 2 of Schedule 1 to the Regulations commences on 16 November 2019, immediately after the commencement of Schedule 1 to the *Migration Amendment (New Skilled Regional Visas) Regulations 2019*. Part 2 of Schedule 1 to the Regulations do not commence at all if the *Migration Amendment (New Skilled Regional Visas) Regulations 2019* do not commence.

AUTHORISING PROVISIONS

Subsection 504(1) of the *Migration Act 1958* (the Migration Act) relevantly provides that the Governor-General may make regulations, not inconsistent with the Migration Act, prescribing all matters which by the Migration Act are required or permitted to be prescribed or which are necessary or convenient to be prescribed for carrying out or giving effect to the Migration Act.

In addition, the following provisions of the Migration Act may apply:

- section 45A of the Migration Act, which provides that a non-citizen who makes an application for a visa is liable to pay a visa application charge if, assuming the charge were paid, the application would be a valid visa application;
- subsection 45B(1) of the Migration Act, which provides that the amount of the visa application charge is the amount, not exceeding the visa application charge limit, prescribed in relation to the application. The visa application charge limit is determined under the *Migration (Visa Application) Charge Act 1997* (VAC Act); and
- section 45C of the Migration Act, which deals with regulations about the visa application charge. In particular:
 - subsection 45C(1), which provides that the *Migration Regulations 1994* (the Regulations) may provide that the visa application charge may be payable in instalments, and specify how those instalments are to be calculated and when instalments are payable; and
 - paragraph 45C(2)(a), which relevantly provides that the Regulations may make provision for and in relation to various matters, including the recovery of the visa application charge in relation to visa applications and the way, including the currency, in which visa application charge is to be paid.

The following provisions of the VAC Act may also apply:

- section 4, which imposes a visa application charge payable under section 45A of the Migration Act;
- section 5, which limits the visa application charge for most visas and provides the formula to calculate the charge limit for those visas for later financial years; and
- section 6, which limits the visa application charge for the Contributory Parent visa and provides the formula to calculate the charge limit for later financial years.
