## Frequently Asked Questions

### 1. What is the FNQ DAMA?

Designated Area Migration Agreements (DAMA) are a formal agreement between the Australian Government and a regional, state or territory authority, providing flexibility for regions to respond to their unique labour market needs.

The Far North Queensland (FNQ) DAMA was signed on 4 April 2019, and the Cairns Chamber of Commerce is the Designated Area Representative (DAR) for the FNQ DAMA.

The FNQ DAMA allows FNQ employers to sponsor skilled and semi-skilled overseas professionals for positions they are unable to fill with local workers.

The Cairns Chamber of Commerce, in its role as DAR, is responsible for the first stage, which involves assessing requests from business seeking endorsement to enter into a Labour Agreement with the government, to employ overseas workers under the FNQ DAMA.

The FNQ DAMA is tailored to address current and emerging labour market shortages and local terms and conditions of employment in Far North Queensland.

The information in this document reflects variations in the FNQ DAMA that came into effect on June 18, 2021. These variations added occupations and changed some assessment requirements.

#### Key elements of the FNQ DAMA include:

- » A broad range of occupations that reflect the region's skilled and semi-skilled shortages, with no caveats to apply but rather, concessions that may apply
- » English language, salary concessions and a pathway to permanent residence for select occupations.

For more information about the revised agreement, [click here](#).

### 2. Where can I find more information about the FNQ DAMA?

For information about the FNQ DAMA more generally and how to apply, see [cairnschamber.com.au/fnq-dama](http://cairnschamber.com.au/fnq-dama)

### 3. Does an applicant need a skills assessment for the FNQ DAMA?

A skills assessment is not required when a business makes a request to the DAR for endorsement. A skills assessment is required for individual nomination applications lodged on the FNQ DAMA Occupations List.

This is to ensure that the individual has the necessary skills to perform the tasks of their chosen occupation under FNQ DAMA.

### 4. What are VETASSESS skills assessment criteria for my chosen occupation?

For occupations with FNQ DAMA-specific criteria, please refer to the FNQ DAMA information in this document. When applying online, please select the 'DAMA' category.

For other Professional Occupations that are listed on the FNQ DAMA Occupation List, please refer to the professional occupations list. The process is the same as the standard skills assessments, but when applying online through the VETASSESS website at [www.vetassess.com.au](http://www.vetassess.com.au), please select the 'Skills Assessment for Migration' category.

### 5. What documents do I need?
